MEMORANDUM

TO: Office of Initial Patent Examination
ATTN: Tom Koontz

FROM: PETITIONS (DEREK L. WOODS, 305-0014)

RE: Application Number 09/653,744 and 09/653,745

DATE: September 3, 2003

Mr. Koontz, the above applications, filed on the same day and having the same inventor, have defective oaths/declarations. Initially the applications were filed with unexecuted oaths/declarations, and Notices to File Missing Parts were mailed on November 2, 2002. Applicant responded to the Notices with oaths/declarations that had the correct serial numbers for the file that they were placed in, but titles and attorney docket numbers were wrong – they each contained attorney docket numbers and titles of the other file. We apparently also sent a corrected filing receipt in response to the oaths/declarations that were filed.

In an effort to work directly with the Applicant to resolve this, I telephoned the Applicant, who became irate. Unable to proceed, my supervisor requested that Petitions Attorney Christina Donnell telephone Applicant, who was again irate. We then went to OPLA and asked Fred Silverberg to telephone Applicant to try and resolve the problem, but to no avail. Applicant requests written notification of his defective oaths/declarations, since he has a corrected filing receipt and no other written indication from this Office that there is a problem with the oaths/declarations that he filed.

Please either issue 1) new Notices to File Missing Parts and/or withdraw the corrected filing receipts, which would give the Applicant time to correct the mistake, or 2) Notices of Abandonment for failure to comply with the Notices to File Missing Parts that were mailed on November 2, 2002.

Please call with any questions. Thanks.
